About **"Singapore Construction Productivity Week (SCPW) 2016"**

Organised by the Building and Construction Authority of Singapore (BCA), the Singapore Construction Productivity Week (SCPW) is an industry hallmark event for developers, architects, consultants, builders and suppliers to exchange ideas on construction productivity, share about the latest developments in new productive technologies, best practices as well as success stories.

Held from 18 to 21 October, key events this year include the

- **BuildTech Asia Exhibition**
- **Build Smart Conference**
- **Skilled Builders Project**
- **Productivity Race**
- **Productivity Workshop**
