Dear Sir/Madam

FIRE EQUIPMENT TEXT SIGNS

It was brought to our attention at the recent FSSD Standing Committee Meeting, that some of the fire equipment text signs that were in previous SS 364 have been removed in SS 508: Part 4, which superseded it. The missing fire equipment text signs are Foam inlet, Sprinkler breaching inlet, Fireman's switch (for neon signs) and Fireman's lift.

2. We intend to re-instate these signages in our next review of the Fire Code. Meanwhile QPs may adopt the signages for the above-mentioned fire equipment as depicted in the previous SS 364.

3. Please convey the contents of this circular to members of your Institution/Association/Board. The circular is also available in CORENET-einfo: <http://www.corenet.gov.sg/einfo>.

4. For any enquiry or clarification, please contact Mr. Randy Tan at tel. no. 68481461 or e-mail address: Randy_Tan@scdf.gov.sg.

Yours faithfully,

(Transmitted via e-mail)
