DP Architects.

Positive Feedback from the Students

"I learnt so much through these few days. All the site visits really opened my eyes to the industry."

"It's a very good programme! I hope that you will continue this every year for future students!"

"I have a greater understanding about architecture as well as the different sectors that come together to create Singapore's built environment."

"I feel that all the programmes across the entire duration was a very eye-opening experience, which really allowed me to learn more about the different careers..."
