

**REDAS SEMINAR ON  
“LAUNCH OF REDAS DESIGN AND BUILD  
CONDITIONS OF SUB-CONTRACT (FIRST EDITION)  
FOR USE IN CONJUNCTION WITH THE MAIN CONTRACT”  
17 July 2013 (Wednesday), 9.00am - 1.00pm, Singapore Recreation Club**

**SYNOPSIS**

This seminar will introduce the REDAS Design & Build Conditions of Sub-Contract for the engagement of the Named Sub-Contractors by the Design & Build Contractor. The publication of the REDAS Design & Build Conditions of Sub-Contract is intended specifically to complement the use of the REDAS Design & Build Conditions of Main Contract (3<sup>rd</sup> Edition).

This REDAS Design & Build Conditions of Sub-Contract is produced in response to the absence of a standard set of Sub-Contract Conditions for the Main Contract, which has resulted in the adoption of various Forms of Sub-Contract Conditions.

With the adoption of this Set of Conditions of Sub-Contract for use with the Main Contract, there should be a greater degree of certainty of the Sub-Contract terms in the industry.

Mr. Raymond Chan, as the draughtsman of the REDAS Design & Build Conditions of Sub-Contract, will explain its provisions in detail and the intent of these provisions.

Mr. Cheang Kok Kheong, who is a member of the REDAS Design & Build Committee, will speak on the industry's perspective with regards to the REDAS Design & Build Conditions of Sub-Contract.

The other members of the REDAS Design & Build Committee include Mr. Ng Chee Seng, Mr. Lee Yew Kwung, Mr. Billy Wong, Mr. Gasper Wong, Mr. Seah Choo Meng, Mr. Winston Hauw and Ms. Quek Chay Hoon.
